living, and culture and giving readers a ringside seat on the issues shaping the region.

As with the best-selling 'Architects Pocket Book' this title includes everyday information which the architect/designer normally has to find from a wide variety of sources and which is not always easily to hand. Focusing on kitchen design, this book is of use to the student as well as the experienced practitioner. It outlines all the information needed to design a workable kitchen, including ergonomics, services such as water and waste, appliances, and material choices for the floor, walls and ceiling. There is no similar compendium currently available.

The projection of authenticity is one of the key pillars of marketing. Research reveals that consumers seek authenticity through the brands they choose. Based on extensive research with consumers and brand managers this book offers seven guiding principles for building brand authenticity.

The Use of Locks in Physical Crime Prevention aims to present the minimum necessary material that will enable the proper use of locks as security devices. The lock is the most widely used security device. Wherever people have an interest in securing their persons or property against intruders, some sort of locking devices

have been developed and used. The effectiveness of any locking system depends on a combination of interrelated factors that are involved in the design, manufacture, installation, and maintenance of the system. A security specialist needs to understand the weaknesses and strengths of the various systems, and know how each must be used to achieve maximum benefit from its application. This goal requires a thorough understanding of the inner workings of the various types of locks, which this book presents. This book is presented in layman's language and does not require an extensive background in security. However, the technological detail contained in this book will be of use to professionals in the field.

In today's integrated global economy, technical communicators often collaborate in international production teams, work with experts in overseas subject matter, or coordinate documentation for the international release of products. Working effectively in such situations requires technical communicators to acquire a specialized knowledge of culture and communication. This book provides readers with the information needed to integrate aspects of intercultural communication into different educational settings.

Winner, IACP Cookbook Award for Culinary Travel Named a Best & Most Beautiful Cookbook of the Year by Bon Appétit, Cooking Light, Departures, Fine Cooking, Food52, Fort Worth Star-Telegram, Los Angeles Times, San Francisco Chronicle, T: The New York Times Style Magazine, Vice, Yahoo!, and more The best things happen when people pursue their dreams. Consider the story of Eric Werner and Mya Henry, an intrepid young couple who gave up their restaurant jobs in New York City to start anew in the one-road town of Tulum, Mexico. Here they built Hartwood, one of the most exciting and inspiring restaurants in the world. Mya Henry took on the role of general manager, seeing to the overall operations and tending to the guests, while Eric Werner went to work magic in the kitchen. The food served at Hartwood is "addictive," says Noma chef René Redzepi, adding, "It's the reason people line up for hours every single day to eat there, even though their vacation time is precious." Werner's passion for dazzling flavors and natural

ingredients is expertly translated into recipes anyone can cook at home. Every dish has a balance of sweet and spicy, fresh and dried, oil and acid, without relying heavily on wheat and dairy. The flavoring elements are simple—honeys, salts, fresh and dried herbs, fresh and dried chiles, onions, garlic—but by using the same ingredients in different forms, Werner layers flavors to bring forth maximum deliciousness. The recipes are beautifully photographed and interspersed with inspiring, gorgeously illustrated essays about this setting and story, making Hartwood an exhilarating experience from beginning to end.
