Gdpr Handbook For Small Businesses

GDPR checklist for UK small businesses. Remember, your checklist needs to take into account past and present employees and suppliers as well as customers (and anyone else ' s data you ' re processing which includes collecting, recording, storing and using the personal data in any way). Know your data.

What is GDPR for small business: a comprehensive guide

For most small businesses this isn ' t a legal requirement. Legally, you only need a DPO if you ' re a public authority or handle lots of data. More in-depth information can be found in Article 4 of the General Data Protection Regulation. Alternatively, you can head to our jargon buster section for further information.

GDPR compliance guide for small businesses | The UK Domain

It ' s now been over two years since GDPR, or General Data Protection Regulations, came into force in the UK on 25 May 2018. Understanding the impact of GDPR and the importance of being compliant might seem like a big task to small business, especially because of the global scale. Whether you ' re new to business or just need a refresher, being aware of the sufficient procedures you need in place when handling individuals ' data is important if you want to avoid any fines!
