One of the greatest loves of all time-between Elizabeth I and Robert Dudley-comes to life in this vivid novel. They were playmates as children, impetuous lovers as adults-and for thirty years were the center of each others' lives. Astute to the dangers of choosing any one man, the Virgin Queen could never give her "Sweet Robin" what he wanted most-marriage- yet she insisted he stay close by her side. Possessive and jealous, their love survived quarrels, his two disastrous marriages to other women, her constant flirtations, and political machinations with foreign princes. His Last Letter tells the story of this great love... and especially of the last three years Elizabeth and Dudley spent together, the most dangerous of her rule, when their passion was tempered by a bittersweet recognition of all that they shared-and all that would remain unfulfilled.

The first exhaustive treatment of the great

monarch's letters opens the door to her life through her correspondence--from letters she wrote at ten to barely legible letters scrawled to her successor when she was on her deathbed. (Biography)

View our feature on Sarah Gristwood's Elizabeth & Leicester. Though the story has been told on film--and whispered in historic gossip--this is the first book in almost fifty years to solely explore the great queen's attachment to her beloved Robert Dudley, the Earl of Leicester. Fueled by scandal and intrigue, their relationship set the explosive connection between public and private life in sixteenth-century England in bold relief. Why did they never marry? How much of what seemed a passionate obsession was actually political convenience? Elizabeth and Leicester reignites this 400-year-old love story in a book for anyone interested in Elizabethan literature.

The story of Elizabeth I, as it's never been told before--through the eyes of two ladies-in-waiting closest to her... In a court filled with repressed sexual longing, scandal, and intrigue, Lady Katherine Grey is Elizabeth's most faithful servant. When the young queen is smitten by the dashing Robert Dudley, Katherine must choose between duty and desire--as her secret passion for a handsome earl threatens to turn Elizabeth against her. Once the queen becomes a bitter and capricious

monarch, another lady-in-waiting, Mistress Mary Rogers, offers the queen comfort. But even Mary cannot remain impervious to the court's sexual tension—and as Elizabeth gives her doomed heart to the mercurial Earl of Essex, Mary is drawn to the queen's rakish godson...

William Shawcross's official biography of Queen Elizabeth the Queen Mother, published in September 2009, was a huge critical and commercial success. One of the great revelations of the book was Queen Elizabeth's insightful, witty private correspondence. Indeed, The Sunday Times described her letters as "wonderful . . . brimful of liveliness and irreverence, steeliness and sweetness." Now, in *Counting One's Blessings*, Shawcross has put together a selection of her letters, drawing on the vast wealth of material in the Royal Archives and at Glamis Castle. Queen Elizabeth was a prolific correspondent, from her early childhood before World War I to the very end of her long life at the beginning of the twenty-first century, and her letters offer readers a vivid insight into the real person behind the public face.

This long-awaited and masterfully edited volume contains nearly all of the writings of Queen Elizabeth I: the clumsy letters of childhood, the early speeches of a fledgling queen, and the prayers and poetry of the

Get Free His Last Letter Elizabeth I And The Earl Of Leicester

monarch's later years. The first collection of its kind, Elizabeth I reveals brilliance on two counts: that of the Queen, a dazzling writer and a leading intellect of the English Renaissance, and that of the editors, whose copious annotations make the book not only essential to scholars but accessible to general readers as well. "This collection shines a light onto the character and experience of one of the most interesting of monarchs. . . . We are likely never to get a closer or clearer look at her. An intriguing and intense portrait of a woman who figures so importantly in the birth of our modern world."—Publishers Weekly "An admirable scholarly edition of the queen's literary output. . . . This anthology will excite scholars of Elizabethan history, but there is something here for all of us who revel in the English language."—John Cooper, Washington Times "Substantial, scholarly, but accessible. . . . An invaluable work of reference."—Patrick Collinson, London Review of Books "In a single extraordinary volume . . . Marcus and her coeditors have collected the Virgin Queen's letters, speeches, poems and prayers. . . . An impressive, heavily footnoted volume."—Library Journal "This excellent anthology of [Elizabeth's] speeches, poems, prayers and letters demonstrates her virtuosity and afford the reader a penetrating insight into her 'wiles and understandings.'"—Anne Somerset, New Statesman "Here then is the only trustworthy

Get Free His Last Letter Elizabeth I And The Earl Of Leicester

collection of the various genres of Elizabeth's writings. . . . A fine edition which will be indispensable to all those interested in Elizabeth I and her reign."—Susan Doran, *History* "In the torrent of words about her, the queen's own words have been hard to find. . . . [This] volume is a major scholarly achievement that makes Elizabeth's mind much more accessible than before. . . . A veritable feast of material in different genres."—David Norbrook, *The New Republic*

The *New York Times* bestseller from Margaret George—a captivating novel about history's most enthralling queen, the legendary Elizabeth I. England's greatest monarch has baffled and intrigued the world for centuries. But what was the Virgin Queen really like? Lettice Knollys—Elizabeth's flame-haired, look-alike cousin—thinks she knows all too well. Elizabeth's rival for the love of Robert Dudley, Earl of Leicester, and mother to the Earl of Essex, Lettice has been intertwined with Elizabeth since childhood. This is a story of two women of fierce intellect and desire, one trying to protect her country and throne, the other trying to regain power and position for her family. Their rivalry, and its ensuing drama, soon involves everyone close to Elizabeth, from the famed courtiers who enriched the crown to the legendary poets and playwrights who paid homage to it with their works. Filled with

Get Free His Last Letter Elizabeth I And The Earl Of Leicester

intimate portraits of the personalities who made the Elizabethan age great—Shakespeare, Marlowe, Dudley, Raleigh, Drake—Elizabeth I provides an unforgettable glimpse of a woman who considered herself married to her people. A queen who ruled as much from the heart as from the head.

"This volume has been published to commemorate the 400th anniversary of Elizabeth I's death in 1603. It illustrates in colour sixty manuscripts, either by Elizabeth or to her. Each one is accompanied by a commentary, explaining the document and placing it in its historical context."--BOOK JACKET.

The fascinating story of Queen Elizabeth's secret outreach to the Muslim world, which set England on the path to empire, by The New York Times bestselling author of *A History of the World in Twelve Maps* We think of England as a great power whose empire once stretched from India to the Americas, but when Elizabeth Tudor was crowned Queen, it was just a tiny and rebellious Protestant island on the fringes of Europe, confronting the combined power of the papacy and of Catholic Spain. Broke and under siege, the young queen sought to build new alliances with the great powers of the Muslim world. She sent an emissary to the Shah of Iran, wooed the king of Morocco, and entered into an unprecedented alliance with the Ottoman Sultan Murad III,

Get Free His Last Letter Elizabeth I And The Earl Of Leicester

with whom she shared a lively correspondence. The Sultan and the Queen tells the riveting and largely unknown story of the traders and adventurers who first went East to seek their fortunes—and reveals how Elizabeth's fruitful alignment with the Islamic world, financed by England's first joint stock companies, paved the way for its transformation into a global commercial empire.
