However, the

most important part of this book are the blank halves of its pages. They are what the readers will contribute, their actions, decisions and the results of these decisions. There are 366 readings, each

addressing a major topic, one for every day of the year. Each reading starts with a topic and a “Drucker Proverb” such as “Know Thy Time”, capturing the essence of the topic. Then there is a teaching taken

directly from  
the works of  
Peter Drucker.  
Next comes the  
action step,  
where you are  
asked to “Think  
on” the teaching  
and apply it to  
yourself and  
your  
organization.
