Best Cinematographers - IMDb

New Cinematographers is a quick, thorough, and interesting read. The information is presented in a simple way that is neither too flowery nor too sparse. Divided into 6 sections, one for each cinematographer, then sub-divided for each film that is discussed. The language is not excessively technical, so a beginner should be able to understand.

New Cinematographers: Ballinger, Alex: 9781856693349 ...

Studio Cinematographers earn anywhere from \$5,000 to \$30,000 a week. What a Cinematographer earns will depend on his or her level of experience. Freelance Cinematographers working on indie or low-budget projects will obviously earn less than those working regularly for a certain production company.

A film with a large production budget may hire several cinematographers. Becoming a cinematographer requires years of technical training in the use of professional camera and video equipment. A period of apprenticeship under an experienced professional may follow, leading to camera work for independent films or low budget Hollywood productions. After building up a solid resume, a budding cinematographer may join an organization such as the ASC, the American Society of Cinematographers.
